Sabbath Day...doc

Strengthening Faith in our Heavenly Father and the Lord Jesus Christ through

Sabbath Day Observance at Church

Salt Lake Central Stake - Leadership Training Discussion – June 7th, 2015

A compilation of Stake Council and Bishopric comments as they contemplated how to increase the spirituality of the Sabbath Day experience.

How can we help to deepen our understanding of the significance of the Sacrament?

• Learning

- We should continually seek to strengthen our understanding and testimony of the Sacrament through prayerful study of the scriptures and the teachings of our leaders.
- This training emphasizes the centrality of the Sacrament in our spiritual power and engagement.
- We traditionally think of Sacrament as a reset button that we push every week, instead of thinking about it as the next step in our spiritual progression. We should use the week to prepare for the Sacrament instead of using Sacrament to recover from the week.
- We should teach our children that the Sacrament is not simply a snack and deserves their understanding and respect.

• Teaching

- Bishoprics should periodically give and assign talks and lessons about the Sacrament.
- The July “Come Follow Me” topic, “Ordinances and Covenants,” provides a good opportunity to discuss the Sacrament with the youth.
- Leaders and teachers will promote a more spiritual culture in their organizations by integrating the language (e.g. ordinance, covenants, sacred, reverence, spiritual power, spiritual progression, etc.) and the principles of the Sacrament into their meetings.

• Holding Sacrament Meeting First

- Holding Sacrament meeting first can be symbolic of its spiritual significance in our life.
- Holding the Sacrament meeting last can be symbolic as the culmination of that week’s spiritual experience.
- Holding Sacrament meeting first is easier for families, especially with little children.
- When considering a change to your meeting schedule, seek the input of your Ward Council and consider what is best for your unique congregation. Bishoprics are authorized to
